## EIGHT YEARS OF SUFFERING CURED BY DR. WILLIAMS' PINK PILLS.

A Washington Woman Relates an Experience That Will Be of Value to All Pain Burdened Women Everywhere.

If you are approaching the fortieth year in a run-down condition, you will be interested in reading of the benefit that Mrs. John Utter, of Puyallup, Wash., received from Dr. Williams' Pink Pills after other treatments had failed to help her. She says:

"I suffered for eight years from all the pains and sickness that women of my age are subject to. I was able to work only part of the time and often could just drag around. Most people would have given up and gone to bed. I was so nervous that I could not get much sleep and was subject to headaches and dizzy spells. My stomach was out of order all of the time and I was troubled with gas forming on it. I would often have smothering spells when I could not raise myself up."

"I took a great many kinds of medicines but found no relief until I followed a friend's advice and tried Dr. Williams' Pink Pills. They helped me right away. I could sleep better, was not so nervous and became stronger. I used the pills for some time and was entirely cured."

"Since then I have always had Dr. Williams' Pink Pills in the house. My husband had a severe case of inflammatory rheumatism which settled in his hands and feet. A few boxes of the pills cured him and he has never had a return of the disease."

"A great many of the diseases from which women suffer are directly caused by a lack of blood. Dr. Williams' Pink Pills have been found unequalled in the treatment of anemia, green sickness, delayed development, after-effects of childbirth and leucorrhoea. Our free booklet, 'Plain Talks to Women,' will be sent to any suffering woman upon request."

If you have failed to get more than temporary relief from your suffering, the treatment is most likely not a blood builder. Do not neglect then to remove the cause of your trouble but give Dr. Williams' Pink Pills a good trial. Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.

## RUSSIANS ARE HEALTH PROBLEM

### The Board Will Enforce Sanitary Rules At Camp

The danger to the community as a result of the temporary camp still maintained by the Russian immigrants at Iwila was the main subject of consideration at the meeting of the Territorial Board of Health yesterday afternoon.

President Mott-Smith told the members of the board just what the conditions at the camp are and said that he had one sanitary inspector now on duty to see that some of the necessary precautions were taken by the immigrants. That the camp is a menace to the health of the public was acknowledged, and it was decided that strict sanitary regulations will be enforced.

The question of authorizing the establishment of quarantine in cases of typhoid fever and measles also was considered by the Board of Health yesterday. A discretionary power to establish a quarantine in both typhoid and measles cases was granted to Dr. Pratt, and it is planned to enforce it in cases where the patients can not be removed to a hospital.

### RECOVERING TONGS.

"What on earth are these?" asked the visitor from Omaha of her hostess in a fashionable apartment hotel uptown.

"My recovering tongs, or rather my grandmother's recovering tongs," explained the hostess. "Have you never seen a pair? No, of course you haven't; you've all been Westerners for a long time. But my grandmother was the daintiest of old English matrons and these tongs were hers and I can remember as a child seeing her reach out for her hair of yarn or for a paper or a bit of sewing or a spoon that she had dropped while she was comfortably ensconced in her easy chair. It was so much trouble to get up that these tongs were universally used. And now why do you think I have resurrected them? Listen while I whisper: I simply ruin those long corsets when I bend over to pick up anything, and when they cost me \$35 a pair I find it more convenient to use recovering tongs than to break my stays."—New York Sun.

Be careful of your hands! Yellow soaps will make them red and coarse and hard; a source of never-ending annoyance and humiliation.

Ivory Soap adds to their beauty; keeps them soft and sweet and dainty.

And so, we offer this suggestion: Use Ivory Soap for even so commonplace a purpose as washing dishes. It pays.
